FLEET DASHCAMS

Dashcams for your company vehicles

Carro Automotive fits a dashcam in every company car or van in your fleet, with 4K footage, an optional rear camera and parking surveillance. After an incident you have video evidence for your insurer or the police. Wiring is concealed at the workshop at Stavorenweg 4 in Gouda, the Netherlands, with a 2-year warranty on product and installation.

AT A GLANCE

IMAGE QUALITY **4K options with night vision**	SET-UP **Front only, or front and rear; standalone or integrated**
