FEATURE ACTIVATION

VAG coding for garages, dealers and body shops

Carro Automotive provides VAG coding for garages, dealers and body shops: activating Apple CarPlay and Android Auto on the factory MIB2 or MIB2.5 screen of Volkswagen, Seat, Skoda and Audi models. The software version is checked first. Work is done at Stavorenweg 4 in Gouda, the Netherlands, from €120 per car, with a 2-year warranty.

AT A GLANCE

FEATURES **Apple CarPlay and Android Auto on the factory screen**	PLATFORMS **MIB2 and MIB2.5 in Volkswagen, Seat, Skoda and Audi**
METHOD **Coding through the OBD-II port, with no physical changes (except a USB upgrade where the car has MDI)**	DURATION **On average 15–30 minutes per car**
PRICE **From €120 (VW, Seat, Skoda) and €150 (Audi); volume pricing on request**	WARRANTY **2 years on the activation**

KEY POINTS

- CarPlay and Android Auto on MIB2 and MIB2.5
- VW, Seat, Skoda from €120; Audi from €150
- Coding via OBD, with a backup first
- Version check beforehand via photo or VIN
- Volume pricing on request
- 2-year warranty on the activation

WHAT YOU GET

- A version check beforehand, based on a photo or the chassis number
- A backup of the original coding before any changes
- Apple CarPlay and Android Auto activated and tested with a phone
- An overview per vehicle of the work carried out, after handover
- A 2-year warranty on the activation

REQUEST A QUOTE
