VEHICLE TRACKING

Fleet tracking for your business vehicles

Carro Automotive provides fleet tracking for company cars and vans: hidden GPS trackers are fitted out of sight, so you can see the live location, trip history and alerts for every vehicle in one app. Trackers start at €149 including installation at the workshop at Stavorenweg 4 in Gouda, the Netherlands, with a 2-year warranty on product and installation.

AT A GLANCE

PRICE **From €149 per vehicle, including installation**	SIM CARD **Built-in 4G SIM, €50 per year; first year included with installation**
